REPORT ENVIRONMENTAL DAMAGE

Use this form when you see **environmental vandalism or damage** in South Australia. Vandalism and damage includes cutting down trees in camp sites and parks, doing donuts, driving through water crossings or bog holes repeatedly, destroying signs, pulling out gates or posts, driving in a dangerous manner, driving on closed roads, driving behind barrier fencing, driving off designated tracks and causing natural or cultural damage and illegal dumping.

Dumping of large quantities of waste (more than a 6x4 trailer load), tyres, quantities of electronic waste, and any quantity of asbestos or hazardous waste should be reported to directly the EPA.

FOR SAFETY REASONS, DO NOT ATTEMPT TO HANDLE ANY MATERIALS YOURSELF.

If you witness vandalism or damage consider your personal safety first and report it only if safe to do so. Help us make a difference!

FOR YOUR OWN SAFETY DO NOT CONFRONT THE PERSON OR PERSONS DIRECTLY
